Target the most influential movers and shakers of the US business world with the powerful **BEN (BUSINESS EMAIL NETWORK) BIG BUSINESS EXECUTIVES EMAIL DATABASE**. The executives on this list are heavy hitters who control the budgets for companies with more than, 1000 employees. They make daily purchasing decisions on all aspects of their organization. They are business-savvy, computer literate, highly educated, and extremely ambitious individuals who are especially interested in industry trends, and developments in economics, politics, and society.

In addition to having corporate buying power, they also enjoy significant personal disposable income and respond to a multitude of business and consumer offers.

Select your next customers by...multi-buyers...job function...industry...number of employees...sales volume...products purchased...phone...geography and more. Maximize response by precisely targeting those decision-makers most likely to buy your product or service.

A database is only as good as the sources from which its names were derived. **BEN (Business Email Database)** is comprised of unduplicated BPA/ABC audited subscribers, seminar attendees, catalog buyers, association members and book buyers from a host of prestigious companies.

The **BEN (BUSINESS EMAIL NETWORK) BIG BUSINESS EXECUTIVES EMAIL DATABASE** is perfect for promoting all types of products and services including credit cards, multi-media products, travel, educational books, insurance, computer hardware and software, organization products, Internet providers, premiums, conferences, workshops, cellular, and much more.
